

Child Safety Information

Children's Version

Statement

St James' Primary School creates an environment physical and virtual for us (Children) where we feel safe and have a great sense of belonging. We feel comfortable to share our feelings and voice our perspective without prejudice or stereotyping

Principles:

- All Children have a right to learn
- All children have a right to be heard
- All children have a right to check in with safe adults
- All children have a right to say NO, to being touched

1

STOP - I DON'T LIKE IT

I can say, NO!, if I don't want someone to touch or hurt me.

2

IGNORE - WALK AWAY

I am the boss of my body and can walk away if I feel unsafe.

3

SEEK SUPPORT FROM ADULTS

I can seek help from adults in my helping hand if I need support.

Helping Hand

These 5 people I trust. I can tell these people anything and they will believe me. I can share my feelings with them and why.

Saying STOP - to hands on.

I can be firm and say 'STOP' if someone is touching me inappropriately.
